## University of Georgia

Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

## **Music industry**

In the 19th century, sheet-music publishers dominated the music industry. Prior to the invention of sound recording technologies, the main way for music lovers to hear new symphonies and opera arias (songs) was to buy the sheet music (often arranged for piano or for a small chamber music group) and perform the music in a living room, using friends who were amateur musicians and singers.
